Study procedure

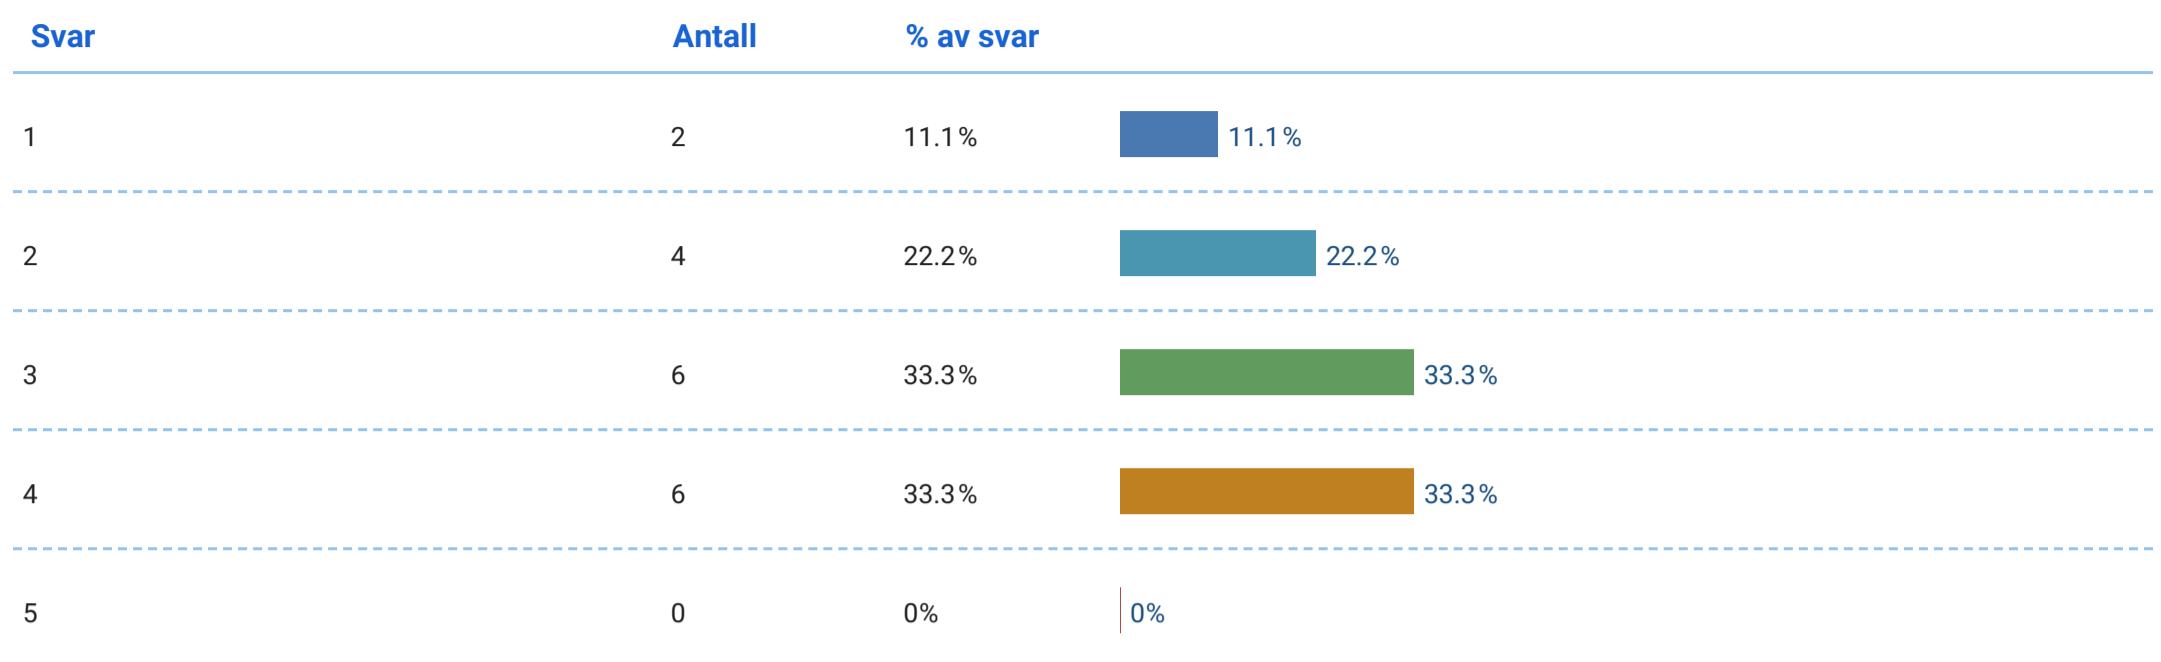

In this survey you will be asked to sign in to your **LinkedIn** account and to check your account settings.

There will be example screenshots showing where to find the relevant information. Note: The screenshots might differ slightly from what you are actually seeing (e.g. if you use another language), and keep in mind that the questions always refer to your account settings.

Recovery

Click on your profile, select Settings and privacy and navigate to Sign in & Security.

The screenshot shows the LinkedIn mobile app's settings menu. On the left, there is a sidebar with icons and labels for Account preferences, Sign in & security (which is highlighted in green), Visibility, Data privacy, Advertising data, and Notifications. On the right, under the 'Sign in & security' heading, there are several options: Account access (Email addresses and Phone numbers), Change password, Where you're signed in, Devices that remember your password, and Two-step verification (which is set to 'On'). Each option has a right-pointing arrow indicating it can be selected.
